"No impersonal representation of a culture can fully communicate its reality to others who have never known its living substance. Through personal relations- our curiosity can be fulfilled by a sense of knowledge, cynicism can give way to trust, and the warmth of human friendship be kindled."

Relax and return to a time when the pace of everyday life was slower, easier.

History Corner:

Thank you for the marvelous photos you have been giving us.

BIG REMINDER - - Remember to notate the date, place, event and person on the backs. If you do not know the info because they are archival, send them anyway. Debbie has been passing around photos for ID's quite successfully. Please help if she comes your way. Photographers - the best time to write the info is when the photo is taken. If there are a lot of people, get them to sign the back for you.

TSC Historians will give an updated report at the May Board meeting.

Youth Group Plans More Fundraising Events

Update from the Tempe Sister Cities Youth Group March Meeting

This month's Youth Group meeting was a short one, but they accomplished a lot! They spent their meeting discussing the upcoming fundraisers for Timbuktu. They will be hosting a silent auction at the Mother's Day Tea, and if anyone is interested in donating items for a basket please contact Beth Lang or Amy Evans, Coordinators.

They also discussed their involvement with community service, and decided that they will be cleaning the Tempe Sister Cities Youth Group Street on April 16th. Finally, they began planning the Ice Cream Social for the new delegates, which will be on April 17th at the home of Mike and Beth Lang from 6-9 pm. A meeting will be held beforehand so the new delegates can preview their future role.

Entering the final quarter of high school, the 2010 Delegates are all busy with classes, college orientations, and end of the year celebrations, but remain committed to the program and continue to be the best representatives of the City of Tempe they can be!

Regensburg Teachers Visiting Tempe: Please Come To Our Shoulder To Shoulder

“Oh, to be in Tempe now that Spring is here...” Yes, it’s April, and our Regensburg/Tempe teacher exchange will begin on the ninth with the arrival of Gertie Dietrich and Kathrin Wein. Their host teachers, Annette Asuncion of TD#3 and Donna Kosis of Kyrene, have planned a full calendar of events, with visits to the Botanical Gardens, downtown Phoenix via the light rail, the Phoenix Zoo (accompanying children), EVIT, ASU, a baseball game, Sedona and Jerome, and the Grand Canyon. In addition, they will visit many schools and classrooms, be presented at KSD and TD#3 board meetings, and will meet with Mayor Hallman. Oh, and did we say shopping at the malls? And movies? and dining at some of Tempe’s fun places? The rest of us are invited to meet Gertie and Kathrin when Horst and Mary Beth Spielberg host a “Shoulder to Shoulder” on April 21 at 7:00 pm. They fly back to Regensburg on May 1.

Tempe Sister City’s Core Team of educators continuously looks for ways to improve and expand the Professional Educator Exchange and feels justifiably proud of the newly published *Educator Exchange Handbook*. To our knowledge, this handbook is the first of its kind in giving valuable information for participating in this type of international exchange both as a guest and as a host. It is our hope that other sister cities both in this country and internationally will find it useful.
